AUSSCHREIBUNG / INFORMATION

**Kreiert um die Arbeit von Architekten,
Innenarchitekten & feinen Einrichtern zu ehren.**

***Created to honor the work of architects,
interior designers & fine equippers***

INTRODUCTION

To honor the growing support for Individual and professional interior-design, FINEST SPIRIT is presenting the FINEST INTERIOR AWARD since 2014.

As a complement to the current international awards for product and interior design, FINEST SPIRIT created the FINEST INTERIOR AWARD. Together with its federation- and selected partners, FINEST SPIRIT aims to honor architects, interior architects and interior equippers that have demonstrated creativity in planning and implementing new or revitalized designs.

The overall design concepts are being evaluated according to their technical and aesthetic usage of furniture, fabrics, floors, the use of colours, wall decoration, and lighting as well as any incorporated artwork or select accessories.

The FINEST INTERIOR AWARD:private is presented independent of any label affiliation. Architects, interior-architects, and interior equippers are only permitted to enter the competition as individuals with a maximum of three objects each. The projects can be submitted in the following categories:
